

HUNTINGTON WILDLIFE CONSERVATION EASEMENT  
“STANTON - CLAPP LOT”  
(Huntington)

- Size: 77.5 acres. Elevations range from 360 to 850 feet. The east slope of North Rockhouse Mtn. is quite steep.
- Access: No formal parking areas. Access is via a right-of-way over private property off Montgomery Road.
- Vegetation: A forestry appraisal indicated several timber types here including White Pine, Hemlock/Hardwoods, and Oak/Hardwoods. The white pine along the road frontage has a dense deciduous under-story. Striped maple, witch hazel, sassafrass and mountain laurel comprise the under-story.
- Water: There are 1050 feet of frontage along the Westfield River.
- Wildlife: Deer, turkeys, gray squirrels, ruffed grouse, and occasionally bears inhabit the area. The DFW stocks the Westfield River with rainbow and brown trout.
- Special Regulations:
